

# The Inventure Advantage

## Table of Contents

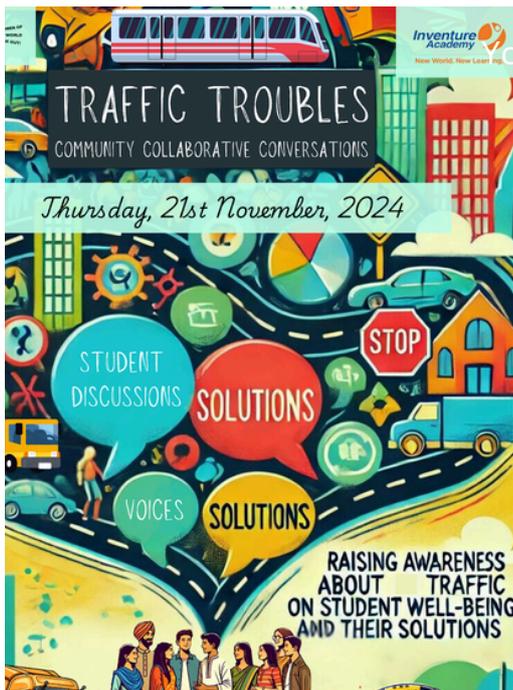

**Stuck in Traffic? Inventure's "Our Mobility Our Voice" Needs You!** - Join us in advocating for safer roads and a better commute. Together, we can make a difference.

**Yeshwanthpur Campus hosts the Second Edition of Kalakriti** - A celebration of creativity and imagination! Kalakriti 2024 was a visual delight.

**Inventure Academy, Yeshwanthpur Campus, hosts its first Inventure Sports Fest 2024-25 (Inter-School Sports : Basketball and Football)** - Beyond the wins and losses, ISF was a platform for young players to learn, grow, and inspire one another.

**Inventure Academy Students Shine on the National Stage!** - We are delighted to announce that 18 of our talented students from the Whitefield-Sarjapur campus have been selected to represent ISSO at the prestigious 68th SGFI National Games 2024!

## Stuck in Traffic? Inventure's 'Our Mobility Our Voice' Needs You!

Tired of long commutes and disruptions caused by worsening traffic, especially on State Highway 35? You are not alone! The Student Council at Whitefield-Sarjapur has launched "Our Mobility Our Voice", a campaign to improve school commutes and address the impact of poor road conditions and public transport on everyone's well-being.

Traffic jams in the city are causing students to miss classes in addition to also disrupting their after-school activities. Deteriorating roads and unreliable public transport are putting safety at risk as well.

Inventure decided to raise awareness about these challenges to advocate for better infrastructure and road safety and promote responsible driving habits to ease traffic congestion.

Our teachers are also encouraged to integrate discussions about these problems into their classes and brainstorm solutions with their students.

The school has been requesting more citizens to join [Instagram/Twitter/X](#) to amplify the messages and share these links with friends, family, and fellow Bangalore residents.

We would also like more people to join our social media campaign and let us know how traffic affects them. They could also write an email to [studco@inventureacademy.com](mailto:studco@inventureacademy.com)

Below is the link to our brochure to learn more about the campaign.

[brochure](#)

By working together, we can create a stronger voice and push for improvements in road infrastructure. Our ultimate goal is to develop a sustainable solution for all students in Bangalore. Let us make our campus a place where learning and growth thrive, free from the stress of traffic!

## Yeshwanthpur Campus hosts the Second Edition of Kalakriti

Kalakriti, the second edition of Inventure Academy's art exhibition, showcased the creativity of K1 and K2 students. Held at the art studio in Yeshwanthpur Campus on 02 December, the event celebrated the students' exploration of various art mediums, techniques, styles and folk-art traditions.

The unique twist of this year's Kalakriti was the on-the-spot theme reveal. Students were challenged to create artworks based on the topic "My Favourite Festival", utilizing their artistic knowledge and skills. They were encouraged to experiment with a variety of mediums, including colour pencils, oil pastels, and poster paints, and to incorporate techniques and styles learned throughout the year.

The event not only highlighted the students' creativity but also their ability to apply their artistic knowledge to a specific theme. Each student's artwork was a unique expression of their favourite festival, incorporating elements of composition, colour, and technique.

To recognize their participation and talent, the students were awarded badges and certificates. Their artworks will be displayed at the school during upcoming events, further celebrating their artistic achievements.

## Inventure Academy, Yeshwanthpur Campus, hosts its first Inventure Sports Fest 2024-25 (Inter-School Sports : Basketball and Football)

Sport has always been an integral part of our school program. Inventure's Sports Fest (on 28 and 29 November) was organized to promote sport and to encourage students from schools across Bangalore to participate actively in the spirit of true sportsmanship. We believe that schools participating in tournaments such as this, create opportunities for mutual learning that fosters camaraderie and healthy competition. A total of 17 schools participated in the event.

The results for Basketball are as below:

Grade 4 and below

Boys Winners - Bangalore International School.

Girls Winners - Neev Academy
